The following requirements apply when submitting the proposed agreed scheduling order: the dispositive motion and all other pretrial motion deadlines must be the same date; there must be four months between the motion deadlines and the docket call; the docket call will be either eleven, twelve, or thirteen months from the date the case was filed. If new parties are added or if additional persons or entities that are financially interested in the outcome of the litigation are identified at any time during the pendency of this litigation, then each counsel shall promptly file an amended certificate with the clerk. **This satisfies the requirements under FED.R.CIV.P.7.1.**
